

ODESSA IS TAKEN BY RUSSIANS

STALIN ANNOUNCES RUSSIAN TROOPS TAKE BLACK SEA CITY

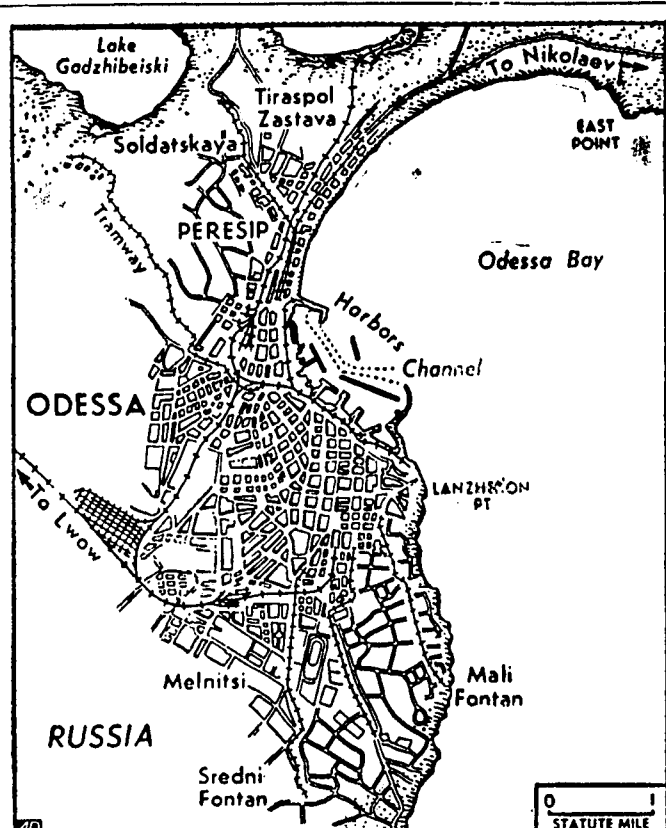

MOSCOW, HOWEVER, HAS NOT CONFIRMED CAPTURE OF CITY OF ODESSA

By RICHARD McMURRAY
Associated Press War Editor.

Berlin announced today the evacuation of Odessa, Black Sea naval base and seventh city of Russia around which the Red army had fought an almost complete siege.

The capture of the city of 600,000 has not yet been confirmed by Moscow. At midnight, the Russians said they had broken into the city yards three miles from the city which had become a death trap for thousands of Nazis. The city fell to the Germans Oct. 18, 1941 after a two months siege. The Germans asserted installations were destroyed last week and that troops had been removed last night—an unlikely story in view of the snapped communications.

Other Russian armies stood on the Czechoslovak border deep in the Carpathian mountain barrier to the Hungarian Plain. Others swept up 200 Romanian towns including one three miles west of the important rail center of Iasi (Jassy). Russian cannon rolled within 160 miles of the Ploesti oil fields and probably beyond some lesser oil fields in the north. The Germans reported strong attacks in the Crimea where seven enemy divisions are by-passed and isolated.

ODESSA—GOAL OF RUSSIAN DRIVE—This is a closeup map of the metropolitan area of Odessa, Black Sea port city which is the goal of the Red Army's current drive in the south of Russia. Moscow reports say Odessa was captured today.

ACTIVITY GROWING IN CASSINO AREA; GERMANS ON MOVE

ALLIED TROOPS WITHIN RUINS CASSINO ARE HEAVILY SHELLED

By LYNN HEINZLERING
Associated Press War Editor.

Naples, April 10.—(AP)—New Zealand troops have inflicted casualties in the Germans in sudden attacks against two strongpoints at Sant'Angelo three miles south of Cassino headquarters announced today, while allied troops in ruined Cassino itself were subjected to renewed violent mortar and shell.

The New Zealanders partially destroyed one of the enemy positions. The shelling of Cassino followed days of comparative quiet in the devastating town. The increase in German activity also included heavy shelling in the Upper Rapido Valley northeast of Sant'Elia.

The Germans, meanwhile, seemed to be on the move in the lower Garigliano sector of the main front. A great deal of transport movement was observed and in the Ausente Valley 21 tanks or self-propelled guns were seen about 1.2 miles northeast of Minturno. Five of them were believed knocked out by artillery fire and the remainder subsequently put out smoke pots to conceal their movement.

The Germans who can control the volume of the Garigliano river's flow by manipulating the dam flood gates on the Liri river, have permitted the Garigliano to drop five feet.

JAPANESE DRIVE HAS PUT INDIAN PLAIN OF IMPHAL UNDER SIEGE

INVADERS DRIVING TOWARD IMPORTANT ALLIED SUPPLY ROUTE

By RICHARD C. BERGHOLZ
Associated Press War Editor.

Allied headquarters conceded today the Japanese drive into India has put the Imphal plain under virtual siege and has reached the outskirts of Kohima, 35 jungle miles from the all-important Bengal-Assam supply route that feeds allied forces in China and North-east Burma.

The forces were described as "strong," indicating between 2,000 and 7,000 men, equipped with many Tunderbolts, Mustangs, and Lightnings.

Night Raid by RAF.

The daylight fleet took off soon after the RAF heavy bombers turned toward the Villesse St. Georges, a junction on the main rail lines from southern and western France just 12 miles south of the center of Paris, and Lille, important junction on northern French rail lines.

Mosquito bombers hit Mannheim.

HEAVY U. S. BOMBER TASK FORCES STRIKE AT NAZI OBJECTIVES

PLANE FACTORIES AND AIRFIELDS IN BELGIUM AND FRANCE ATTACKED

By AUSTIN BEALMEAR
LONDON, April 10.—(AP)—American air task forces totalling 1,000 to 1,500 bombers and fighters struck at the Germans' anti-invasion air installations of Belgium and France today in their third straight day of operations.

Drawing the enemy's coastal fighter defenses into action for the first time in weeks, the bombers and fighters bombed military objectives in the Pas-De-Calais area, the aircraft repair depot at Evreux and Villorbe and the airfield at Melsbroek near Brussels, Belgium, the aircraft factory at Bourges, 115 miles south of Paris, and the airfield at Orleans, 60 miles south of Paris.

Three heavy bombers and four fighters were lost in the multiple assault, and seven of the enemy's planes were shot down or damaged, a communiqué announced. In addition to about 40 which air base reports said were destroyed on the ground.

SECRETARY HULL IN RADIO EXPLANATION U. S. FOREIGN POLICY

PLEA FOR UNITY ON HOME FRONT MADE BY STATE DEPARTMENT HEAD

By JOHN M. HIGHTOWER
WASHINGTON, April 10.—(AP)—A broadcast explanation of American foreign policy coupled with a plea for home front unity on international issues launched Secretary of State Hull today on a planned campaign to keep the principles of the nation's foreign policy in the forefront of election year controversies.

"We are moving closer and closer to the hour of decision and which the United Nations will determine whether the world will be ravaged by war again in 25 years, Hull said, and that this country can render it ineffective in carrying out its responsibility.

The key to Hull's plans for keeping foreign policy decisions out of politics apparently lies in his announced intention to work with a bipartisan committee of congress in shaping those plans in the first place. He announced last night in his unprecedentedly detailed summation of foreign policy developments that he had received the support of the senate foreign relations committee to designate the bipartisan group to work with him on planning postwar world organization, and said similar arrangements would be made with the house.

GREAT NAVAL BASE AND BLACK SEA PORT BEEN CAPTURED

LIBERATION OF CITY CAME AS OTHER RED FORCES ISOLATE IASI

LONDON, April 10.—(AP)—Marshal Joseph Stalin announced in an order of the day the capture of Odessa, Russia's greatest Black Sea port.

Capture of the once-great port, ruined in a two-months siege by the Germans and by 905 days of rigid occupation, was announced after the German high command had acknowledged evacuation in one of Adolf Hitler's most humiliating defeats.

Stalin said the capture of the city, to which many had expected the Germans would cling stubbornly as a last throw of the dice, had cleared away a major obstacle to "The Central regions of Romania."

The Germans said they stole away at night after blowing up all military installations and removing all ships and vehicle transport—a statement which seemed to indicate they had fled by sea in part.

Stalin said the city had been taken by outflanking maneuvers by tanks, infantry and cavalry and frontal assault which ended in German defenses and had threatened to cut off the Nazi garrison.

Great Artillery Display.

He ordered another great artillery display in Moscow to thunder out the word of the feat of Russian arms—24 salvos from 324 guns—and a supplementary salute of 120 guns of the Black Sea fleet which had been virtually isolated at base in the Western Black Sea for future operations.

KENTUCKY FARM YOUTH, FLYING FORTRESS TAIL GUNNER, TELLS OF FALLING 19,000 FEET, LIVING

DE GAULLE FACING DIRECT CHALLENGE OF HIS AUTHORITY

ALGIERS, April 10.—(AP)—Gen. Charles De Gaulle was confronted with a direct challenge to his authority as president of the French Committee of National Liberation today as Gen. Henri Giraud stood firm on his refusal to accept dismissal as commander-in-chief of the French armed forces.

Giraud's stand apparently left the next move in the contest between the two Generals squarely up to De Gaulle but there was no indication of the latter's probable course of action. The situation was further confused by the assertion of some of Giraud's followers that several members of the Liberation Committee had threatened to resign in an expression of sympathy with him.

A De Gaulle decree yesterday abolished Giraud's post as commander and at the same time named him "inspector-general" of the armed forces.

Giraud sent a sharp formal letter to De Gaulle declaring that the action violated French Republican law as well as French National committee ordinances determining a separation of civil and military powers.

ATTEMPT MADE ON LIFE PRESIDENT MEXICO MONDAY

MEXICO CITY, April 10.—(AP)—President Avila Camacho was fired upon at the National Palace today, but escaped injury. The gunman was arrested and it was officially announced that several Nazi documents were found in his possession.

Authorities said the would-be assassin, a man of military appearance, approached the President as he descended from his motor car at the Palace, saluted and then fired one shot, which went wild.

He was arrested and sent to the military prison for investigation. Several documents from Nazi sources were on his person, according to a government statement clearing Mexican censorship.

Two More Bodies Found.

GALVESTON, April 10.—(AP)—Tentative identification of two bodies as those of J. N. Collier, Slisbee, and L. M. Knight, Houston, has brought to eight the number of known drowning victims in Galveston Bay's squal of Sunday.

SOME TEXAS DRAFT BOARDS COMPLYING WITH NEW ORDERS

OTHERS HALT ALL INDUCTIONS UNTIL OFFICIAL ORDER STUDIED

By The Associated Press.

Some Texas draft boards began complying immediately with the new National Selective Service order to postpone induction of all men 26 years of age and over who are engaged in essential or war-supporting industries until all those under that age have been processed.

Other boards halted all inductions until they received the official order for study.

Most board members who would comment agreed a new order would result in failure to meet quotas.

In announcing the order Saturday, National Selective Service officials said the need of the army and navy for younger men outweighed the necessity of filling quotas. These officials explained the order was effective as soon as local boards could change their machinery, and that men over 26 induction today or tomorrow, for instance, while boards were changing their set-up would have no legal restraints.

200 Take Physicals.

Bexar county draft boards sent 200 men, most of them over 26, to the local physical training today, but members said their induction probably would be delayed. Draft officials at San Antonio said younger men now working at Kelly Field and other local army installations in civilian jobs may have to be drafted to take the places of older men though they previously had been considered essential.

Tarrant county board members said a group scheduled for induction tomorrow probably would go ahead because most of the men were volunteers or had quit their jobs, but that the new rule would be invoked on all subsequent calls. Clerks at Fort Worth expressed belief the rule would postpone induction.

See TEXAS DRAFT, Page 5.

EASTER WEEK-END BROUGHT TORNADO, HAIL, RAIN, WINDS

BUT PART OF STATE BASKED UNDER WARM SPRINGTIME SUN

(By The Associated Press.)

Texas in widely-separated portions of the state today, Monday, surveyed the results of an Easter week-end that brought a tornado of hail, heavy rainfall and high winds. The rest of the state generally basked under a warm sun.

The tornado and hailstorm struck Hamilton county Saturday night, the tornado resulting in the death at Pottsville of an infant, Glenda Jean Glover, and injury to five others and causing the destruction of 17 homes and a church. In the Blue Ridge and Alamo counties, the tornado injured a man, demolished three homes and a school.

(At St. Louis last Sunday night, the midwestern area office of the Federal Bureau of Investigation announced that three disaster relief representatives had been assigned to Hamilton county Texas, following the storm.)

Glenda Jean was whisked by the tornado from her arms of her mother, Mrs. A. D. Glover, who was seriously hurt. The infant later was found dead. The father, Pvt. Glover is stationed in the Pacific War theater. The injured Pottsville residents, treated at a Hamilton clinic, were Mrs. Glover, Mr. and Mrs. J. S. Moore, A. D. Glover Sr. and Juan June Glover, 14.

Hamilton County Agent T. D. Cavedock said the hail storm, which swept most of the county, damaging poultry and buildings, caused less crop damage than first expected.

Across the state in East Texas, across the state in East Texas, across the state in East Texas.

Czech Brigade Of Red Army To Lead Homeland Drive

By HENRY C. CASSIDY.
MOSCOW, April 10.—(AP)—A Czech brigade operating with the Red army has moved up to the front to be among the first units to enter old Czechoslovakia, it was disclosed today.

Entry of the Red army into Rutenia (the Carpatho-Ukraine) former Czech territory now held by the Germans, was a major effect, it was believed here, splitting the Germans' northern armies from their forces fighting in the Balkans and threatening the Rumanian rear.

Gen. Heliodor Plika, chief of the Czechoslovak military mission in the USSR, disclosed that the supreme Red army command had sent the First Czech brigade under Gen. Ludwig Svoboda to join Marshal Gregory K. Zhukov's First Ukrainian army group which it was announced Saturday had reached the Czech border.

There still was no definite news today of actual entry of Allied forces into Czechoslovakia through the Carpathians.

WAR ANALYST SAYSEVACUATION OF ODESSA BY GERMANS MEANS FAR-REACHING RUSSIAN VICTORY

By DEWITT MACKENZIE
Associated Press War Analyst.

German evacuation of the great Russian port of Odessa on the Black Sea, as announced by Berlin, represents a far-reaching victory for the Muscovites, and its meaning is this:

Odessa has been the main port of supplies for the axis forces in the Crimean Peninsula which not only has guarded the Nazi right flank in Russia but the coasts of Romania and Bulgaria as well. Loss of Odessa means that the Crimea, one of Hitler's key positions in the eastern theater, cannot long hold out. At present it is held by about a dozen divisions—probably less than 100,000 men—half Germans and half Rumanians.

Once this famous Crimean battleground of the centuries is again in Russian hands, the field operations for the Red war machine will be greatly widened. Soviet warships can return to the port of Sevastopol and the Red command will be in a position to send amphibious expedition against the Rumanian coast to outflank the Hitlerites, if that seems desirable.

Secretary of State Cordell Hull in his statement on foreign policy yesterday said "it is hard to imagine a stable Europe if there is instability in its component parts, of which France is one of the most important."

Coincidentally in Algiers, there was intensification of the bitter quarrel for power between those two great Frenchmen, Gen. Charles de Gaulle and Marshal Petain.

See THE WAR TODAY, Page 4.

PRESIDENT MOVES SOUTHWARD FOR TWO WEEKS' VACATION

WASHINGTON, April 10.—(AP)—President Roosevelt has gone South for a vacation and rest which will last about two weeks.

The trip was announced today by the White House. The time of the president's departure from Washington and the place where he has gone were not disclosed.

The White House statement said:

"The president has left Washington for the South and will be away approximately two weeks unless some unexpected emergency arises. He will be accompanied by Admiral William D. Leahy, his personal chief of staff; Vice Admiral Ross T. McIntire, surgeon general of the navy and physician to the president; Rear Admiral Wilson Brown, naval aide; and Major General Edwin M. Watson, military aide and secretary."

"Except for the work that is always carried on between the White House and the president regarding the war, he will devote his time to relaxation out here."

QUADRENNIAL DEBAUCH

The American people are getting ready for their fourth-year spree, and how they dread it! It hasn't occurred to them yet that they could possibly escape the emotional debauch of vilification, slander, name-calling, mud-throwing, and general ugliness that seem to go with their exercise of the highest prerogative a free citizen can boast—that of choosing his government's officers.

Perhaps what America needs is a sort of "Elections Anonymous," corresponding to the "Alcoholics Anonymous" who persuade imbibers that they really do not have to go on sprees. It needs someone to tell the citizens that they really do not need to yell, vilify, pass the lie, muckrake and upset themselves and the rest of the world, which is apt to take them too seriously at these times.

Americans are proud of their Constitution and of their rights under it. They are proud of their elected Presidents and Congress. But there are times when they do not act this way. Just for a change, and seeing that there really is a war in progress for the Freedom of the world, and that they are seriously and dangerously engaged in it, why not be themselves over this election—their regular honest-to-goodness respectable decent selves? Why not elect without the debauch—and waking up to the shame of it?

VICTORY GARDENS

Last year the people who made gardens—no regular commercial producers, but ordinary back yard victory gardeners—produced eight million tons of food. That was in addition to the amount grown in the normal way of business. Let's see—at 2,000 pounds to the ton and about 130,000,000 people, it comes to about 123 pounds per person for every man, woman and child in the United States. That, again, is about a pound a day for four months. As it comes down from statistics to the plate, it might be a good baked potato, a serving of green peas, with a lettuce and tomato salad one day and the carrots, onions, cabbage of a boiled dinner next.

No inconsiderable addition to the nation's food supply were those back yard and vacant lot crops. This year the produce is needed still more. Our men overseas will eat much of the normal supply; starving people need some, too. Home front strength must be kept up. Victory gardens will do it. They supply not only food, but also sunshine and pleasant outdoor exercise for people who might not otherwise get it, or who might get it without edible byproducts. The knowledge that the family is doing something towards winning the war which its members can actually see and feel has its own value.

THE GERMAN-JAP PROBLEM

For a clear and sane view of the war, the reader is referred to a statement by Dr. Hans Kohn, professor of history at Smith College, in a recent address. Here is the gist of it.

The problem of the future of Germany and Japan is the problem of the United Nations. The Germans and Japanese are

Edgar A. Guest

QUATRAINS

Purpose.
Solid front and single plan!
Fight the war through, every man;
Get it over, get it won;

The Red Cross.
The mercy that will reach him first
The water that will quench his
thirst;
Assistance, where'er he goes,
Is what each Red Cross gift be-
stows.

The Eternal Triangle.
I doubt that we shall ever see
Soldiers and soldiers here agree
Or both, in these strife-troubled
scenes,
Bestowing praise on the Marines.

Contrast.
One lad of twenty, grave,
Life and its promise gave;
One left at home said: "Sit
Safely, too old to die!"

alike in their acceptance of leadership, and their discipline, obedience and respect for authority. They are alike further in their belief that the state takes precedence over the individual, that the state is the source of all progress, that they are different from and superior to other peoples—that they are an end in themselves. Those beliefs must be reformed by the United Nations to bring peace to the world.

How must this be done? By complete military victory on German and Japanese soil. By complete German and Japanese disarmament. By German and Japanese conviction that they shall not be permitted to arm again. And by effective application of economic justice. The future depends on our moral responsibility and intelligence.

To the objection that if Germany and Japan are disarmed and are convinced that they cannot arm again they will be frustrated, he replies:

"You may laugh at that. There is no possibility of making all people happy. Somebody after this war will be unhappy; and it will be better to have the Germans and Japanese unhappy than to have others living in fear of aggression. The Germans and Japanese won't like it when they can't have an army, but neither shall we like it when we have to keep an army."

WHAT THE WAR'S ABOUT

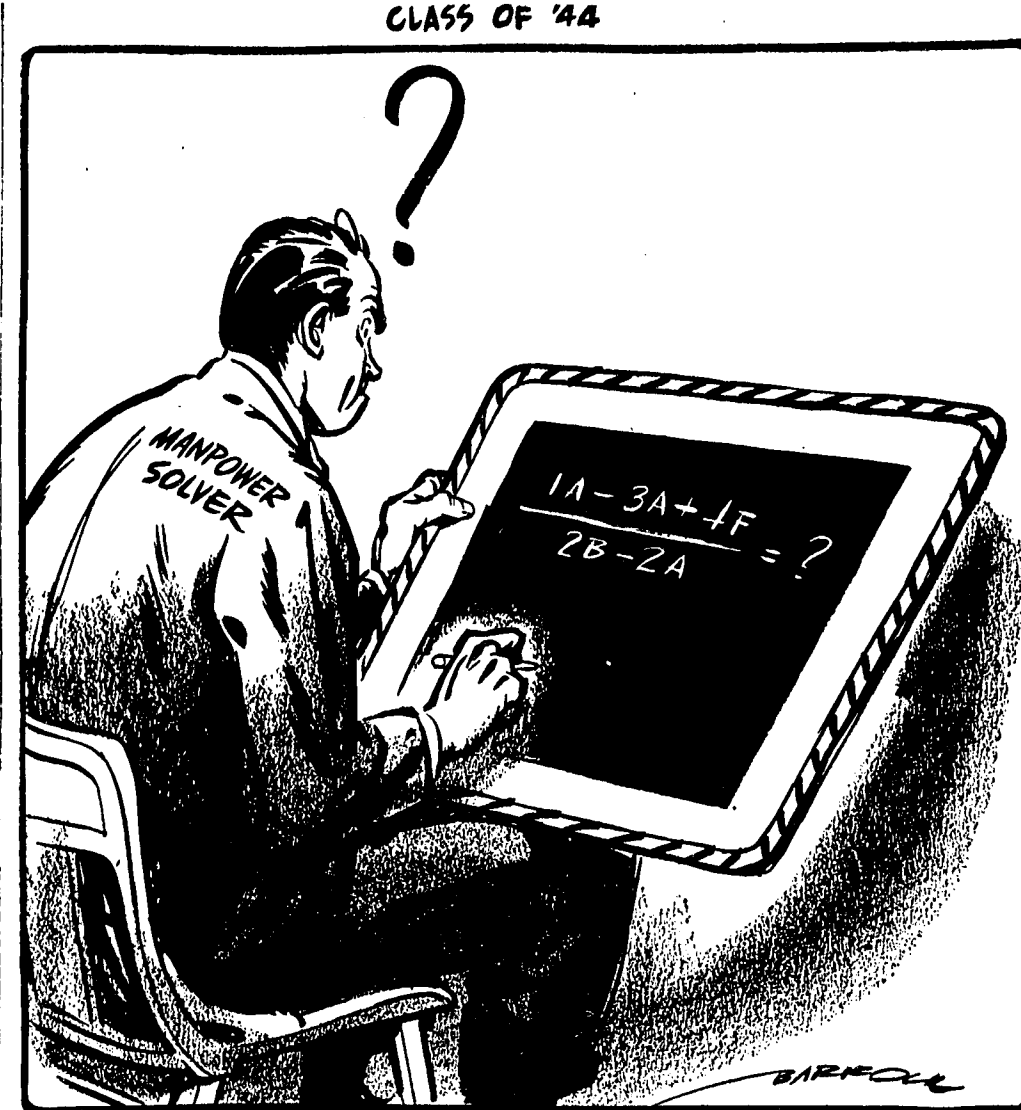

When this present war started, little did Americans realize its scope and menace. Experts and insiders at Washington knew what was going on, but to most Americans it meant just another of those everlasting wars that were always being started in Europe and Asia. There were even statesmen who complained bitterly that war - mongers were dragging this nation into the conflict.

Most of us know better now. Even people who seldom read the newspapers or listen to the radio news are impressed by the evidence of vast preparations made for national defense, and by the list of war losses.

It is still hard, however, for some people lacking knowledge of world conditions, and unschooled in history, to grasp the full scope and implications of this world war. They should know it represents the greatest peril to civilization which has appeared in modern times. The evil forces leagued to destroy peaceful and constructive nations possess a high degree of technical and scientific knowledge. They would use these forces not for human freedom, enlightenment and progress, but to enslave and exploit their victims and destroy the finest qualities of our modern civilization.

People tend to forget that the periods of general enlightenment and progress in this world have been few and far between. Again and again, through the centuries, there has been a general relapse into barbarism. It must not happen again.

The Russians have driven over Upper Prut, and as far as we're concerned they may keep right on.

WCS Corsicana District Met In All-Day Session

More than one hundred and twenty-five members of the Woman's Society of Christian Service of Corsicana District assembled in the First Methodist Educational Building on Monday to hear annual reports from organization officials and to receive inspiration for the coming year's work.

Dr. W. V. Bane of Wortham read from the thirteenth chapter of John as the opening feature of the meeting, stressing in his remarks the importance of optimism in the life of a Christian.

Mrs. Milton Slayden of Tehuacana provided all musical accompaniment for the meeting.

Mrs. R. W. Willford of Wortham, district secretary, had charge of the meeting and introduced the speakers.

Mrs. B. B. Wedemier of Waco, jurisdictional secretary, emphasized the importance of missionary literature, and advised the leaders to keep before them the slight goals as follows: Spiritual life; obtaining new members; missionary education; subscription to Christian literature; increased study; Christian social relations work; supplies, and making reports promptly and completely.

Mrs. Gid Bryan of Italy, conference president, spoke of the glory of the work of the Woman's Society of Christian Service, which she characterized as Methodism at work through its women. She stated that Kagawa, the famous Japanese Christian, is still preaching the gospel in Japan, and that over-flow audiences are responding to his presentations. She spoke of the suffering of the world at the Easter tide, after two thousand years of Christianity, and also the coming of the resurrection, living Christ. In conclusion, she paid tribute to the missionaries, many of whom are still in the fields of friendly lands.

Miss Alsop Introduced

Miss Alice Alsop, who was sent to China twenty-five years ago by the Corsicana District, and who recently returned to this country on the Gripsholm, was introduced by the pleasure received from her missionary work, and of her intense desire to return to China at the earliest possible moment.

"China's rice bowl is empty," she said, "and the people are in desperate need of food." Now China had the money, there would be little food to buy, she stated. She recalled that before the war rice sold at \$10 per 100 pounds, and that it now brings from \$3.00 to \$5.00 per 100 pounds.

She declared that there is a more cooperative spirit between the people and the missionaries at the present time. After Japan invaded China, she stated that all schools were taken over by the Japanese, but despite hardships, Christian preachers and teachers attempted to carry on their work in any available building.

Value of Christian Education

She spoke of Wendell Wilkie's surprise at what Christian education had done for the Chinese people, and stated that West China is still wide open to Christianity.

Fifty-five Methodist missionaries returned to America on the Gripsholm, leaving only six or eight in the field, but it was a sad parting, she declared. The crossing required seventy-two days, "We're home," she declared, "but for what—not to stay, for we must go back as soon as it is practicable."

Miss Alsop stated that Generalissimo Chiang Kai-Shek is depending on Christian missionaries to assist in building New China, and since God may take their gifts to undergird the whole structure of the country. Even though every stone in every church edifice destroyed, the missionary work in China is considered well worthwhile, she declared. "We must assist the Chinese in building a new Heaven and a new Earth," the speaker concluded.

Donations for Chinese Children

Mrs. R. W. Willford, presiding officer, had the honor of making the first donation to take care of a Chinese child for one year.

of all, twenty-nine Chinese children will be cared for by members of WCS of Corsicana dis-

CLASS OF '44

Henry Ellis Haley
Is Making Unusual
Record At U. of T.

Henry Ellis Haley, son of Mr. and Mrs. C. B. Haley of Corsicana, is credited by W. R. Woolrich, dean of the engineering school, University of Texas, as "the highest ranking student," according to a story in the Daily Texan, student publication.

W. A. Cunningham, member of the faculty engineering school, has the following to say in a letter to the Whiteside Scholarship Committee, Corsicana, W. H. Norwood, Corsicana Senior High School, under date of March 3 (1944):

"Mr. Haley is, undoubtedly, the most outstanding student whom we have in the chemical engineering field at the present time, and is worthy of any scholarship for which he might be considered."

In accordance with the Occasional Bulletin 33-6, issued by National Service headquarters, on or about February 1, 1944, 10,000 students majoring in engineering, physics, chemistry, and geology will be deferred in the entire United States. The deferment of such students is not in the nature of permission to continue their work, but as a virtual requirement that they continue their work in order that they might get jobs in critical industry immediately upon completion of such training."

"Mr. Haley is not only the highest ranking student in chemical engineering, but is the highest ranking student in the entire college of engineering. Hence he has been recommended by the National Roster of Scientific and Technical Personnel for deferment under the terms of Bulletin 33-6, and unless Selective Service regulations are changed, he will continue as a civilian student until he receives his degree in June, 1945."

"We consider that Mr. Haley is of far greater potential value to the war effort as a chemical engineer in training for a job in some of the critical industries than he would be in the armed service."

Krowledeen Club
Met At Eureka On
Friday Afternoon

Mrs. Gene Tyner was hostess to members of the Krowledeen Club at her home at Eureka on Friday afternoon. Spring flowers provided decorative features for the home, and informal conversation furnished the main feature.

Mrs. Harvey McElroy, who has recently returned to Corsicana from Bryan, was welcomed back into the club membership, and Mrs. LeRoy Reese and daughter, Marcia, of Dallas were much appreciated guests.

A refreshment plate of coffee and cake highlighted with Easter favors was served by the hostess as the concluding feature of the meeting.

Mrs. W. E. Bohn
And W. S. Herod Wed
On March 25th

Mrs. W. E. Bohn and W. S. Herod were united in marriage March 25 in the home of Rev. J. H. Baldridge, pastor of Eleventh Avenue Methodist church. Rev. Mr. Baldridge read the single rings ceremony in the presence of immediate relatives and close friends of the couple. The bride wore a suit of pale aqua blue wool with white and brown accessories, and a shoulder corsage of white carnations.

Those present for the ceremony were: Mrs. Hubert Herod, wife of S. St. Hubert Herod; Alton Bohn, son of the bride; Mrs. M. and Mrs. Wesley Bohn, and son Jerry, and S. St. and Mrs. Charles W. Burkes, St. Louis, Mo.

After a short wedding trip to Dallas, Mr. and Mrs. Herod are making their home in Exhall Heights.

"Garden Saboteurs"
Discussed by Petty's
Chapel Boys and Girls

"Garden Saboteurs" were discussed by L. L. Bennett, agricultural agent, and Miss Eva Williams, demonstration agent, at a joint meeting of the Petty's Chapel 4-H boys' and 4-H girls' clubs Tuesday morning. Bennett classified the harmful garden insects, discussed poison for each type, and demonstrated the use of a home-made spray.

Preceding the joint session, Miss Williams and the girls group held a short business meeting.

Weaver Re-Elected
Mayor of Dawson

DAWSON, April 1.—(AP)—Little interest was shown in the city election here this week. C. O. Weaver was re-elected mayor and Guy Davis and W. C. Roberts were re-named aldermen without opposition. Only 20 votes were cast. Holdover aldermen are C. D. Mitchell, W. A. Conner and J. M. Beasley.

Kerens City, School
Election Results

KERENS, April 7.—At the trustee elections in the local independent district, Dr. G. H. Sanders and J. B. Smith were re-elected and Dr. J. C. Blair was elected for three-year terms. In the municipal election this week, O. J. Inman, Lacy Garrett, E. K. Howell and H. G. Newsom were re-elected aldermen without opposition, and Earl McClung was re-named city secretary.

Barry School Trustees

Ernest Watson and Jim Parks were elected trustees of the Barry school district Saturday, succeeding Glenn Bell and Will Watson, retiring members.

Galileo invented the fever thermometer.

Pickett 4-H Boys
Club Met March 14

The Pickett 4-H club met and organized March 14. Officers were elected as follows: President, James Anglin; vice president, Elwyn Brannon; secretary, Bob Bolon; reporter, Clyde Tweedle.

L. Bennett, county agricultural agent, appeared on the Pickett club program March 28, and discussed different things which the boys could raise in order to win prizes, and to help with the war effort.

Funeral services for E. C. Frazier, age 72 years, who was found dead at his home in the Pickett community Thursday, were held from the Corley Chapel Friday afternoon at 4 o'clock. Rev. Vernon White conducted the rites and interment was in Hamilton cemetery.

Frazier had been a resident of the Pickett community 42 years.

Surviving are his wife, two daughters, Mrs. Ione Melton and Mrs. Thelma Wilcox, both of Navarro; seven grandchildren, one great grandchild and other relatives.

John C. Hughes Is
New District Deputy
IOOF Grand Master

John C. Hughes, long prominent in IOOF circles, is the new district deputy grand master of District 25, succeeding C. C. Sands.

Hughes was appointed district deputy by A. Carter of San Angelo, grand master of the Grand Lodge of Texas, IOOF, District 25 embraces the IOOF lodges in Navarro county. Hughes retired this year as a member of the board of trustees of the Grand Lodge and the IOOF Homes in Corsicana and Ennis after several years service.

State Home Team Is
Coached By Women

State Home grammar school football team is making quite a record on the diamonds this spring and has the distinction of being coached by women instructors.

The mentors are Miss Ruth Edgington, 1942 graduate of North Texas State Teachers College, Denton third grade instructor, and Miss Lou Vinson, an ex-student of Mary Hardin-Baylor College, Belton, second grade teacher at the State Home.

The team won first place last week in the county field day competition held at State Home.

Arrangements were announced Friday that the playground competition among county clubs will be continued somewhat like a baseball league. Competing teams, according to Coach Edgington, will be the State Home, Barry, Krowledeen Grove, Frost and Emhouse.

Concluded-Dish Luncheon

At noon, a covered-dish luncheon was served from a buffet table adorned with vari-colored Spring flowers and a social hour was enjoyed.

Quiet music by Mrs. Slayden called the assembly together after the luncheon and Mrs. D. B. McCaulley gave the meditation for the afternoon, speaking of the spiritual qualities of Christ and of one's need of acquiring them for the exigencies of life.

At this point in the program, Rev. Ross Smith of Dawson, contributed an impressive solo selection.

A round-table discussion of China was conducted by Miss Alsop in which were brought out many facts concerning the internment of more than one thousand Americans, and the routine of their lives in the internment camp. The experiences were valuable, she declared, making for better understanding between the missionaries and other interned American citizens.

Business Session

During the business session, the invitation of Eleventh Avenue Methodist church to hold the next annual district meeting of the Woman's Society of Christian Service in that church was accepted.

Mrs. Gid Bryan conducted a life membership session, at which time four life memberships were presented, including one for Mrs. Ralph Tatum, president of the Woman's Society of First Methodist church. Nine children received life memberships, two of whom were Chinese children—one the grand-daughter of a Chinese bishop, and the other a child of a Chinese teacher—both being close friends of Miss Alsop, in whose honor the memberships were presented.

The meeting closed with a song by the assembly, and prayer by Mrs. Bryan.

MISSING—Tech. Sgt. Joe D. Freeland, Jr., U. S. Army Air Forces, Dawson, has been missing in action since February 25, according to information received by his parents, Mr. and Mrs. Joe D. Freeland. RESULTS OF RECENT ELEMOSYNARY SHOW OF STATE LISTED

STATE HOME BAND WAS OFFICIAL BAND FOR SCHOOL EXHIBIT

Final reports of results of the recent State Elemosynary School Exhibit and Livestock Show have been made from Austin. Following the selection of winning examples at the local exhibit held at the State Orphans Home recently, some fifty-seven students accompanied the exhibits and livestock to Austin for the annual showing.

State Home's band was invited to Austin as the official band for the combined show, heading the parade down Congress avenue opening the second day's activities, under the direction of Band Director Jack Campbell. The band opened with a concert in the rotunda of the State Capitol for state officials and employees. Additional concerts were played at the State School for the Deaf and State School for the Blind upon special invitation. Due to the many excellent performances of the band, special arrangements were made through Supt. John H. Robertson for the band to make a command performance at the Governor's Mansion. Despite the illness of the governor following an extended tour of the state, Governor Stevenson invited the entire band, Supt. Robertson, and Director Campbell in for an inspection of the mansion. Following this, Governor Stevenson autographed each and every band member cap.

State Home Winners

First place winner in the school exhibit from the State Orphans Home were: Dorothy Borings, Charles Kimbrough, James Freeman, Dwayne Gregory, Marion Jones, Harold Weidmann, Billy Maxine Downy, John Shultz and Maudine Jones.

In the Livestock Show, the Elemosynary Grand Champion established a new high for 1934 in the sale of the calf of Gene Harkness in Travis county. The 850-pound calf sold at 77c for a total of \$731.50 to the Big Gear food stores in Austin, Mr. H. J. Arnold. State Home winners in the Livestock Show were: Curtis Jones, showing light Hereford; Oakley Reid, second place with his Angus calf in the heavy division; Jesse Baker, second place with his showing of light Angus calf; Ed Erzen took first money with his Duroc Jersey in the swine division; and Henry Touchstone took first and fourth places

BROTHERS IN SERVICE—Mr. and Mrs. G. W. Gipson, Corsicana, have two sons in the armed service. Pvt. Alton Ray Gipson (left) is stationed in Alaska, and Robert L. Gipson MM 1-C U. S. Navy (right) is in New Zealand. He has been overseas 18 months. Mr. and Mrs. Gipson also have two sons-in-law in the service. They are Pvt. James D. Attaway, Army Medical Corps, overseas, and Corp. Arthur D. Boswell, Army Signal Corps, stationed in New Guinea.

with his Jersey dairy heifers. In the showing of pens of three lambs, J. B. Carrington won fifth place money.

The Exhibit and Livestock Show in Austin was a marked success.

Beauty Not Rationed Subject For Barry Club's Discussion

"Beauty is not rationed" was the theme of the program given by the Barry Home Demonstration club in the home of Mrs. Vernon White on Tuesday, April 4. Special attention was given to the hair, fingernails, and posture. It was pointed out that a person well groomed could—with much confidence—put her "best foot forward."

Mrs. Lillian McGraw had charge of the program, and Miss Pearl Powell had charge of the recreational period. Fourteen members were present. Refreshments were served.

CARD OF THANKS.

We wish to thank the ones who assisted in the illness of our wife and sister, also Rev. McCally and choir. Also those who remembered her with many beautiful flowers, and the employees of the Oil City Iron Works—Mr. A. Y. Stroud, Mrs. R. P. Jordan and Family, Mr. J. P. Farra.

Mrs. Tom Paschal and son, Philip, were recent guests in the home of Mrs. Paschal's parents, Mr. and Mrs. B. F. Shaw at Kerens.

ROBERT HENRY MAY, U. S. NAVY, DIED IN SAN DIEGO, CALIF.

Robert Henry May, U. S. Navy, died at San Diego, Calif., Sunday and the body will be returned here for burial. Funeral arrangements have not been made. The body is expected to arrive Wednesday or Thursday.

Surviving are his parents, Mr. and Mrs. A. C. May, Navarro; four sisters, Misses Etta Fay, Betty Jo, Wanda and Carolyn, all of Navarro; grandmothers, Mrs. R. C. Bonner, Navarro; Mrs. W. H. May, Corsicana, and other relatives.

Corley's Funeral Home will direct the arrangements.

Mrs. John R. Wilson, Recent Kerens Bride, Is Honored at Tea

KERENS, April 8.—(Spl.)—Continuing a series of parties commemorating Mrs. John R. Wilson, who before her marriage was Miss Ann Talley, Mrs. R. P. Walker and Mrs. William Bain entertained Saturday afternoon with a tea at the home of the former. Receiving the guests were the hostesses, the honoree and her mother, Mrs. Anderson Talley.

The attractive Walker home was decorated throughout with spring flowers. An arrangement of doewood blossoms adorned the grand piano, and pansies, sweet peas and violets were used as mantel and table decorations in the living room. In keeping with the approaching Easter season, Easter colors were used in the dining room. The tea table was covered with a deep flounced green organza cloth and its floral centerpiece consisted of yellow snapdragons, purple iris, daisies and pussy willow.

Mrs. T. L. Whorton poured and Mrs. J. A. Daniel, Mrs. J. A. Anderson and Mrs. Ashley Barnes assisted in the serving.

Mrs. Wilson graduated from Kerens high school in 1937 and for three years was a student at Texas University, where she was a "Blue Bonnet Belle," a Sweetheart nominee and a member of Zeta Tau Alpha sorority.

Ensign Wilson was also a student at Texas University. He is now on duty on a destroyer somewhere in the Atlantic.

Mrs. Charlie Calame Buried At Wortham Thursday Afternoon

WORTHAM, Texas, April 8.—Mrs. Charlie Calame, aged 73 years, died Wednesday afternoon in a local hospital after an illness of 11 days. Funeral services were held from the local Presbyterian church Thursday afternoon with burial in the Wortham cemetery.

A native of Fairfield, she was married to George Barnes of Pular, Tenn. After Mr. Barnes' death in 1914, she was married to Calame in 1917.

Surviving are her husband, of Wortham; a daughter, Mrs. W. L. Brady, Birmingham, Ala.; a twin sister, Mrs. Mollie S. Longbottom, Houston; two other sisters, Mrs. Allen Hatch, Blenheim, S. C., and Mrs. Lynn Adams, Wortham; two brothers, Van Hook Stubbs and George Stubbs, both of Wortham; four grandchildren and five great-grandchildren.

BROTHERS IN SERVICE—Mr. and Mrs. G. W. Gipson, Corsicana, have two sons in the armed service. Pvt. Alton Ray Gipson (left) is stationed in Alaska, and Robert L. Gipson MM 1-C U. S. Navy (right) is in New Zealand. He has been overseas 18 months. Mr. and Mrs. Gipson also have two sons-in-law in the service. They are Pvt. James D. Attaway, Army Medical Corps, overseas, and Corp. FUNERAL SERVICES FOR MRS. ELLA SMITH WERE HELD AT FROST

Funeral services for Mrs. Ella Smith, aged 71, long-time resident of Frost, who died in Dallas Saturday morning, were held Saturday afternoon at 2 o'clock, with burial in Frost cemetery. She had made her home in Dallas for the past several years.

Surviving are two sons, Clyde Smith, Frost, and Tom Smith, Waco; three daughters, Mrs. Ray Chunn, Waco; Mrs. Jewel Jackson, Dallas; and Mrs. Jerry Smith, Frost; two grandchildren, two sisters who reside in Tennessee; a half-brother, Everett Shepard, Dallas; a niece, Mrs. C. O. Carrington, Corsicana, and other relatives.

Emhouse H. D. Club Met April 4th In Program Session

Mrs. Walter Jonson was hostess to the Emhouse Home Demonstration Club meeting April 4 in the WOW Hall. Several of the women read articles on the program subject, "Beauty Is Not Rationed."

Following the business session, committees were filled out for the yearbooks, and a game recreational period was held. Mrs. Marie Brown was appointed the new recreational leader. Refreshments were served.

Mrs. C. J. Armstrong will be hostess to the April 18 meeting in the WOW Hall. Each member is reminded to take her secret sister gift to the meeting.

FARMERS Beware of Bad Seed

Especially Red Top Cane, as there is no doubt but what there are more on the market this year than ever before. It has been estimated that there are 350,000 bags or over half the supply that will germinate only 10 to 50 per cent. Thousands and thousands of bags are tagged showing 80 per cent or better that will not germinate half that much.

I have turned down 1060 bags of Red Top this year and all of it was tagged 75 to 87 per cent germination. I had this seed tested by State Department of Agriculture and it actually tested from 46 to 65 per cent. Of course, I have returned these seed to the people that I bought them from.

This condition was brought about because 1941 was the last big crop of Red Top, in 1942 some were planted, in 1943 very little was sown or planted by the farmers. Therefore, most of the seed that is being offered for sale is old seed, or 1941 and some say 1940 crop and has been out too long and just will not germinate.

Many farmers who read this are not in my trade territory. My advice to you is to buy your seed from a reliable dealer, as what the trucks are hauling in most cases are seed that the good seed houses have refused.

I have in stock plenty of good Red Top Cane Seed, Arizona Registered Hegaria, Texas Hegaria and Sudan.

Frost 4-H Club Girls Club Met At School Wednesday

The Frost 4-H club girls met in the Frost school on April 5 with Miss Eva Williams, assistant agent. The following new members were introduced: Mary Cochran, Betty Jo Putman, Susan Brown, Mary Tom Templeton, Adene Whitfield, Joyce Lee Raley, Luann Scott.

Miss Williams demonstrated how to make a good basket, and each of the girls is planning to make one. Cuptowns and pot holders were also exhibited, and a demonstration presented on how to make the articles. The club will meet again on May 3.

Fairfield TEL Class In Social Session

FAIRFIELD, April 8.—(Spl.)—The TEL Sunday school class of the First Baptist church in Fairfield met last Thursday night for regular business and social meeting in the home of Miss Sheila Cullie.

After a series of games, refreshments of apple pie and coffee were served.

Those attending were Mrs. R. M. Knox, Mrs. A. L. Stroud, Mrs. R. C. Stone, Mrs. Marion Harris, Mrs. E. K. Shepherd, Miss Elsie Lee Emmons, Mrs. Henry Steward, Mrs. C. J. Johnston, Mrs. Mears, Miss Eva Tidwell, Miss Beryl Walker, Mrs. Annie Lou Brown, Mrs. H. H. Burdison, Mrs. Clyde Donaldson, and Miss Carlie.

Freestone County Man Died Friday

FAIRFIELD, April 8.—(Spl.)—John Metzgar, aged 71 and a resident of Freestone county for 35 years, died Friday at his home a few miles east of Fairfield. Burial was in the Fairfield cemetery Saturday afternoon, under direction of Burleson Funeral home after religious services at the Assembly of God Church by the Rev. Maurice Evans and R. E. Haines.

Near surviving relatives are his wife, six children, Loni and Edward Metzgar, Mrs. Roy DeFrance, Mrs. Mat Richardson, William and Owens Metzgar, a brother Dan Metzgar and a sister Mrs. Ridgeway of California.

Mrs. Finis Hodges and daughter Linda Ruth, have returned to their home in Kerens following their stay at the Navarro Clinic.

Calls Republican County Convention

Moss Blumrosen, Navarro county Republican chairman, has issued a call for the Republican county convention to be held in Corsicana, 214 1-2 South Benton street, Commercial Hotel building, Tuesday, May 8. Precinct conventions will be held Saturday, May 6, at 2 p. m. to select delegates and alternates to the county convention.

Two delegates and two alternates will be selected at the Republican county convention to attend the state convention in Houston, May 23, at which time 25 delegates and 33 alternates to the Republican national convention in Chicago will be elected.

Republican precinct chairmen designated by County Chairman Blumrosen are Joe Undergriff, Corsicana, Precinct 1; Walter Roberts, Chatfield, Precinct 13; W. A. Conner, Dawson, Precinct 16; Charlie Smith, Kerens, Precinct 20; Sid Iyer, Frost, Precinct 19; W. F. Butler, Fulton, Precinct 30; and W. D. Bartlett, Rice, Precinct 35.

Blooming Grove Junior High 4-H Club Girls Meet

The beautifying of homes and the making of new coolie bonnets was discussed at a meeting of the Blooming Grove junior high school girls 4-H club Wednesday. Miss Eva Williams, assistant home demonstration agent, was in charge. Thirty-nine members were present.

The April 19 meeting will be in the home of Mrs. Bruce McCormick, sponsor.

Take Care of Your Car

With these days of tire and gas rationing your car is more valuable than ever before. Don't forget it.

HEFFNER BROS. GARAGE.

THOMAS M. FOUTY, NATIVE OF NAVARRO DIED SUNDAY NIGHT

Thomas M. Fouty, age 70 years, died at his home in Navarro Sunday night. Funeral services will be held at Navarro Tuesday afternoon at 3 o'clock with Rev. W. H. Day conducting the rites. Burial will be in Hopewell cemetery.

A native of Navarro, he had lived there all his life. He was a retired farmer and took an active part in the affairs of his community.

Surviving are his wife, Navarro; two sons, Clinton and H. B. Fouty; Navarro; five grandchildren; and other relatives.

Corry's Funeral Home will direct the arrangements.

Palbearers will be Alex Stodder, Hugh R. Stewart, V. H. Botkins, J. S. Doolen, Clint Duchany, Allen Marsh, Will Collins and J. C. Allen.

ROUTINE MATTERS OCCUPIED COUNTY COMMISSIONERS

Routine matters occupied the attention of the Navarro county commissioners' court Monday morning. All members were present.

Claims were allowed except as noted on the claim docket.

A matter from Kerens was considered, and a delegation from the Navarro-Hill county line, requested a rough bridge be constructed on the road to Dawson. Commissioner Fred M. Copeland said the bridge would be built as soon as the water in that area is low.

The reports of various county agents and assistants for March were accepted and filed.

Judge E. D. McCormick advised the court that he conferred with state health authorities on his trip to Austin last week, and that he had been told that it will be necessary for the county agencies to put up half the budget of the Corsicana-Navarro county health unit after July 1, 1944, if the unit is continued.

Canvassing and declaring of the results and returns of the recent school trustees elections throughout the county was scheduled Monday afternoon.

Former Corsicana Woman Died Sunday In Los Angeles

Mrs. Mattie Day of Los Angeles, Calif., former Corsicana, died Sunday. Funeral services were held at Los Angeles Thursday where interment was made, relatives here have learned.

Mrs. Day, a sister of Mrs. A. H. Carroll of Corsicana, resided at Kerens prior to moving to Arizona and later to California, 30 years ago.

Surviving are her sister, two sons of Los Angeles, a daughter in Tucson, Calif., and other relatives.

Angus H. D. Club In Session Wednesday

"Nothing worthwhile is lost by taking time to do it right" was the subject discussed at an Angus Home Demonstration Club meeting in the Angus school April 5. It was voted that club members would plant two new type vegetables this year. Following the reading of the "Agricultural Magazine," several important topics were presented by Mrs. Tom Petty. Seven members were present. Secret sister gifts were exchanged. The next meeting will be April 19 in the school.

The word gospel formerly meant good story or glad tidings.

Insects Annually Take Heavy Toll Of Home Gardens

Distinctive insects take an estimated toll of 20 per cent of the possible yield of home gardens yearly, says Yerna Sneed, county home demonstration agent.

Vegetable insects may be controlled by inspecting plants often, and when the first ones appear, poison them or pick them by hand before they can lay eggs and hatch a new generation.

The most effective control will be obtained by applying insecticide uniformly to all parts of the plants. The lower surface of the leaves should be covered as thoroughly as the upper side so that every insect gets a dose of poison quickly. Don't apply an excessive amount because lavish dusting or spraying is wasteful and sometimes injures plants.

Miss Sneed suggests that another important factor in the program of control is a ready supply of the most commonly needed insecticides. If rotenone is obtainable, it can be used to destroy cabbage worms and beetles which suck the juice from plant leaves and stems. If rotenone cannot be had, pyrethrum or lead arsenate may be substituted in dealing with the leaf eaters, and nicotine sulphate for the juice-sucking bugs. A small amount of paris green will be needed to make bait for cutworms, sow bugs, grasshoppers, mole crickets and wingless May beetles. Spread it near the base of plants in the late afternoon.

Plant life probably the most common and destructive of pests. They attack most vegetables, especially turnips, radishes, mustard, cabbage and alfalfa. Control measures should begin as soon as they appear. Tetonene dust or nicotine sulphate as a dust or spray insecticide thorough application on both sides of the leaves is essential.

Inspect the plants frequently. Miss Sneed recommends, "Attack the bugs early and half of the battle for control is won."

Local Draft Boards Receive Directive

Local draft boards had not met at noon Monday, but the new selective service directive had been received.

A. B. Douglas, Jr., chairman of Navarro County Draft Board No. 1 said his board would carry out suggestions of the directive, but was unable to state whether any material change in the status of prospective selectees would be made.

Very few prospective selectees from Navarro County Draft Board No. 2 will be affected by the new ruling, it was stated.

Corporation Court. Four were arrested during the week end on intoxication charges and one for intoxication and carrying a pistol was taken to the county jail.

Ambrase Edens reported a camera stolen from his car Friday night.

Four were cited on overtime parking tickets. Two doors were found unlocked. W. E. Barrow reported a white hat stolen from his residence Saturday. Two men engaged in a fight Sunday with one sent to a hospital for treatment and the other reported to be police station.

Married Saturday. Two marriage ceremonies were performed Saturday by Judge Hayden Paschall. The contracting parties were: Leslie S. Dystra and Elaine Schultz; Robert Howell and Della Mae Harris, both of Kerens.

Cemetery Association Meeting. The Black Hills Cemetery Association will meet at the church Thursday night, April 13. All members are requested to be present.

RATIONING ROUNDUP

(As of Monday, April 10)

By The Associated Press

Meats, Fats, etc.—Book four red stamps A8 through M8 now valid and good indefinitely. Red stamps, N8, P8, and Q8 will become valid April 23 and be good indefinitely.

Processed Foods—Book four blue stamps A8 through K8 now valid and good indefinitely. Blue stamps, L8, M8, N8, P8 and Q8 will be valid May 1 and good indefinitely.

Sugar—Book four stamps 30 and 31 valid for five pounds indefinitely. Stamp 40 good for five pounds for home canning through Feb. 28, 1945.

Shoes—Book one stamp 18 valid through April 30. Book three airplane stamp 1 good indefinitely. A new stamp becomes valid May 1.

Gasoline—If A coupons good for three gallons through June 21. B-2, B-3, C-2 and C-3 coupons good for five gallons.

Among the many committee reports given before the board, H. M. Montgomery, chairman of the athletics committee, announced that the football field on the cotton mill block had been completed, and was now in use by the civilian instructors of Air Activities of Texas, or "Bomber Co."

Dr. J. Wilson David, head of the public health committee, asked that the board request the county health unit in the face of the proposition that states and counties must share on a 50-50 per cent basis. Three suggestions which are to be studied are consolidation of two or more counties, the cutting down on paid personnel, and a referendum calling for property tax levy.

A copy of the resolution which was adopted by the retail trades committee and which protests certain provisions of the OPA was read before the board and adopted by the body. A copy of the resolutions will go to congress now in the process of renewing the bill which keeps OPA in effect.

Briefly, the resolutions requested that either an amendment be made which would give all federal courts jurisdiction over price regulations or cause the present emergency court of claims to be a full time court given over to the exclusive consideration of price control questions, and that more power be given local price control boards.

It was announced that 13 new members had been added to the Corsicana Chamber of Commerce.

Continued from first page. De Gaulle president of the French Committee of National Liberation and Gen. Henri Giraud commander in chief of the French army.

De Gaulle ousted his colleague from the army command an action which Giraud thought was a disgrace. If De Gaulle makes it stick it will give him both civil and military control.

An Associated Press dispatch from Algiers says that De Gaulle's action was a demonstration of his determination to force the allies to deal with the Committee as the sole provisional government for liberated France.

This imbroglio in Algiers is a symptom of the thought now prevailing among the people of occupied France—a fact which is largely concealed from us by the Hitlerian cleft of military repression. Here we witness the making of a major post-war problem for the allies and it may be one of the most dangerous they will have to handle.

The third French republic is dead, and we are on the verge of a new birth, a great nation, that will not be accomplished without heavy travail.

France in pre-war days was divided into many political parties, ranging from the communists on the extreme left to the conservatives on the extreme right. They will figure in the creation of the new government. However there's a war wider and more threatening cleft among the people. That is between the Loyalists and those who have supported the pro-Nazi Vichy regime.

The hatred between these two groups is so great that it will be a wonder if it doesn't result in bloodshed when the axis control is broken.

This we see the force of the reasoning in Secretary Hull's firm declaration that in order to drive the enemy from French territory "the supreme military commander (General Eisenhower) must have unfettered authority."

In short, with poor France so shattered and disorganized, the only safe and sane course is to have allied military control there in the early days of liberation.

Continued from first page. powers and organization of a high command.

"I am not resigning," Giraud said. "I accept neither the principle of suppression of the post of commander-in-chief of the French armed forces in the middle of war, nor the honorary post which you have designed for me."

Cadet Wedding. Richard S. Englin, aviation cadet at Corsicana Field, and Miss Doris Schick, both of Chicago, were married in the auditorium of the First Baptist church Saturday evening. The ceremony was performed by Rev. D. P. Cagle, missionary of the Corsicana Baptist Association.

BUDGET ADOPTED BY CHAMBER COMMERCE BOARD DIRECTORS

A budget of \$1,870.44 was adopted upon recommendation of the budget committee by the Corsicana Chamber of Commerce board of directors at a business and luncheon meeting Monday noon in the Navarro Hotel.

Dr. J. Wilson David, head of the public health committee, asked that the board request the county health unit in the face of the proposition that states and counties must share on a 50-50 per cent basis. Three suggestions which are to be studied are consolidation of two or more counties, the cutting down on paid personnel, and a referendum calling for property tax levy.

A copy of the resolution which was adopted by the retail trades committee and which protests certain provisions of the OPA was read before the board and adopted by the body. A copy of the resolutions will go to congress now in the process of renewing the bill which keeps OPA in effect.

Briefly, the resolutions requested that either an amendment be made which would give all federal courts jurisdiction over price regulations or cause the present emergency court of claims to be a full time court given over to the exclusive consideration of price control questions, and that more power be given local price control boards.

It was announced that 13 new members had been added to the Corsicana Chamber of Commerce.

BOTH SERVICES IN FIRST BAPTIST ARE LARGELY ATTENDED

Huge crowds attended both services at the First Baptist church Sunday when Dr. David M. Gardner, new business manager and editor of The Baptist Standard, Dallas, brought the messages.

Dr. Gardner, reared at Frost where he finished high school, started his ministry in Navarro county and was pastor at Roane.

Leaving Navarro county, he went with West Texas charges before going to Alabama 24 years ago and later to St. Petersburg, Fla.

The former Navarro countian said the Baptist Standard with 118,821 circulation last week was the largest Baptist publication in the world and said plans were made for increased circulation.

There were 752 in Sunday school Sunday morning and 152 at BTU Sunday evening. Young people's fellowship was held immediately following the evening service.

The WMSM met Monday afternoon while the deacons meet Monday night at 8 o'clock. A number of local people will attend the State Sunday School convention starting in Dallas Tuesday. The teachers meeting and a church conference will be held Wednesday evening, followed by choir practice.

The pastor, Rev. Jared I. Cartledge, finished a 10-day Revival meeting at Monahan, Texas, Sunday and is scheduled to return home early this week.

Continued from first page. of doors, in fresh air and sunshine.

"Correspondents for the Associated Press, the United Press Association and the International News Service regularly assigned to cover the president also have left Washington. For reasons of security, however, the news reports of these correspondents will not be published until the president has returned to Washington."

The statement was given out by Stephen Early, White House secretary. Early was asked whether the last paragraph meant that the president or to the same place the president has gone. He replied that the statement speaks for itself.

The president has been urged for several weeks by his physician, Admiral McIntire, to get away from his office and to concentrate on recovering from the lingering effects of a cold and bronchitis.

CONTINUED FROM FIRST PAGE

France because it "is, of course, not the government of France." On the other hand he fully expects that the committee will govern liberated areas of France under the supervision of the Allied invasion chief, Gen. Dwight D. Eisenhower.

Italy—The United States is hopeful that there may be early reorganization of the Italian government to include representatives of the so-called six anti-fascist political parties because the present conferences of those parties in Italy hold a "promise of success." No earlier reorganization was possible, Hull said, because military leaders there felt it would not be to the advantage of the military situation to impose reorganization from the top.

Neutrals—Hull laid down the principle that "we can no longer acquiesce in these nations' drawing upon the resources of the Allied world when they are at the same time contributing to the death of troops whose sacrifices contribute to their salvation as well as ours." Because United Nations strength now assures Germany's defeat, Hull said, neutrals can no longer argue that they must compromise with Germany in order to save themselves.

He named no specific countries but his remarks were interpreted to apply alike to Sweden, Ireland, Spain and Portugal, and Turkey.

War progress—Hull declared that "the Allied strength has now grown to the point where we are on the verge of great events." Obviously having in mind the invasion of western Europe he said he could not discuss what these events were.

He said that the Allied diplomacy for the European war is concerned, he said, its immediate objective is the organization of a stable Europe built around progressive, democratic governments set up by the people on their own free choice.

Turning to future problems Hull emphasized that nothing could be accomplished unless the British Commonwealth, the Soviet Union, China and the United States "are harmonized and unless they agree and act together."

"This is the solid framework upon which all future policy and international organization must be based."

As for America's part, Hull declared that "after two years of

intensive study the basis upon which our policy must be founded is soundly established; the direction is clear; and the general methods of accomplishment are emerging.

Meanwhile, Hull reported that the European victory commission is at work in London "upon the treatment of Germany" once the Nazis are defeated. He reiterated the common determination of United Nations leaders that there would be no stopping of the work short of complete defeat.

Capitol Hill Comment. WASHINGTON, April 10.—(P)—Capitol Hill today commented in a generally favorable vein on Secretary of State Hull's foreign policy broadcast last night, but some Republican lawmakers renewed requests for more specific language in the matter of international relationships.

On the other hand, Senator Austin (R-Vt.) lauded the speech, said he found Hull's pronouncements similar to the sentiment of the Republican "Mackinac declaration" on foreign policy.

Senator Nye (R-ND) said he was left "bewildered to know how any man can see the territorial spoils being undertaken in eastern Europe and maintain that the Atlantic Charter is still a thing of any meaning whatsoever," and Rep. Hope (R-Kan.) averred: "His statement is rather vague and we'd like something more specific."

Other comment: Speaker Rayburn (D-Texas): "A wonderful summation of our position and it should satisfy every reasonable person in the United States."

Rep. Patman (D-Texas): "It was definite and positive."

FORTY-TWO PERSONS UNITED WITH FIRST METHODIST CHURCH

Forty-two persons united with the First Methodist church Easter Sunday, this bringing the total additions for the Easter season up to sixty new members. Of the forty-two that united with the church Sunday, eleven united at the first church hour and 31 at the second church hour.

Two duplicate services were held, the first starting at 9:45 a. m. and the second one at 10:30 a. m. The pastor, Rev. Edwin F. Bohmfalk, used as his subject, "The Message of Easter Dawn," and the choir brought special music.

At the first church services the auditorium was comfortably filled, there being many cadets and officers present from the Corsicana Flying Field. At the second service the church auditorium and the annex was filled to overflowing.

Rev. Mr. Bohmfalk had a busy day. In addition to performing two wedding ceremonies, bringing the Easter sermon at the State Home at nine o'clock Sunday the morning and preaching two sermons at a special service in the afternoon, nine babies and brought the day to a close with his night sermon.

At the youth fellowship hour the adult department assembly room was comfortable filled to hear Mrs. Bohmfalk bring a review on "The Robe". Many adults were present for this service.

Although in session at the same hour as the morning church services there were 331 present at the Sunday school. At both church hours Sunday the regular Easter offering was made for a number of church activities.

The board of Stewards will meet tonight in their regular monthly session at 8 o'clock; choir rehearsal Thursday night.

PACIFIC WAR

CONTINUED FROM FIRST PAGE

Hollandia, New Guinea, by spreading 132 tons of bombs over the area Saturday. Other fliers numbered 234 tons of explosives over enemy installations at Wewak, New Guinea, Rabaul, New Britain and Kavieng, New Ireland.

In the Central Pacific, Admiral Chester W. Nimitz' forces followed up the heaviest night air attack of the war on Truk Thursday night by a new raid by Liberator bombers Friday night, the 16th smash at Japan's Eastern Carolines base in 11 days.

Operations to Soften Truk. Significantly, Nimitz' communiqué described the raids as "operations to soften up Truk," an expression which frequently connotes impending invasion.

Other planes ripped at Orulu, Ponape and Ujelang in the Carolines and four enemy-held atolls in the Marshall Islands.

The British eastern fleet headquarters communiqué said two large enemy supply ships, apparently blockade runners, were scuttled by their crews after interception in the Indian Ocean.

The ships' nationality was not specified.

Australia plans to pull about 80,000 men out of its army of approximately 800,000 to meet a manpower shortage in war industries.

This disclosure by Australian War Minister Francis Forde caused some concern in Washington.

Japanese People Warned. NEW YORK, April 10.—(AP)—Declaring that the speed of the American advance in the Pacific has "become rapid by contrast with the days of the Solomons operations," the Tokyo domestic radio warned the Japanese people today that the war "is about to enter a final stage."

The broadcast said that the United States has full confidence in her military strength and that the American offensive has changed in character from island to island hopping to "leap-frogging."

Catalinas Rescue Aussies. MELBOURNE, Australia, April 10.—(AP)—Daring U. S. navy pilots flew their lumbering Catalinas

COMMISSIONED—Dan B. Cunningham (left), son of Mrs. I. T. Blake, and George O. Nokes, Jr., son of Mr. and Mrs. G. O. Nokes, have been commissioned second lieutenants in the Army Air Forces after completing bombardier training at the Carlisle, N. M., Army Air Field. Lt. Cunningham is a former student of the University of Texas, Austin, and Lt. Nokes is a former student of Baylor University, Waco, and the University of Texas.

Information From Navarro County Rationing Board

The OPA has acted to reduce the price of civilian footwear with soles consisting of materials other than leather, rubber, synthetic rubber, and wood, to a level more reasonably related to the general level of prices for leather and rubber soled footwear. This action does not affect infants' footwear and house slippers.

Since restrictions were placed on leather and rubber outer-soles for civilian use, there has been an increasing demand for non-rationed footwear. To meet this demand, some manufacturers have increased production of footwear made from substitute materials.

Generally speaking, outsoles made from substitute materials are not as serviceable and durable as leather and rubber soles. However, the prices charged for such footwear were often equivalent to or more than the prices charged for footwear with durable rubber or leather soles.

Regulations regarding minimum specifications, and the three methods of pricing the above classified shoes may be ascertained by calling at the Navarro county war price and rationing board.

The local board has been officially informed that periodic passenger tire inspections will be dropped after April 20. Replacement tire inspections for new tires will continue.

WEATHER

CONTINUED FROM FIRST PAGE

Longview received heavy rains during a 30-hour period which helped fill Sabine river banks.

The river backed up into the lowlands in that area to some extent but was not as high as during a recent rise and not nearly as high as in previous springs. The rise was watched apprehensively, however, downriver in Louisiana.

A 65-mile-an-hour wind at Dallas and a 50-mile-an-hour wind at Fort Worth Saturday night caused some minor property damage, while lightning struck a San Antonio chemical plant, setting it afire and causing damage estimated by plant officials at \$50,000.

Last night, Abilene reported a short hailstorm.

Storms Over Oklahoma. OKLAHOMA CITY, April 10.—(AP)—A bright, warm Easter Sunday over most of Oklahoma was abruptly changed by a series of tornadoes which brought at least one death, extensive property damage and threats of serious floods.

State highway patrolmen said Mrs. Garland Walker was killed in a tornado which swept a 12-mile path in the farming community between Cordell and Corn, in Western Oklahoma.

About 20 farm houses were either damaged or destroyed, state officers said.

At Hobart, three business houses were demolished, a dozen homes damaged and other losses caused by a Sunday night tornado.

Many other Oklahoma cities were buffeted by high winds whipping up to 64 miles an hour or more with blinding rain, hail, and heavy displays of lightning.

At Bartlesville, Hulah, Kingfisher, El Reno and other northern and western communities, preparations were made against floods, threatening to exceed last year's inundations.

Heavy Damage to Kansas Airfield. LIBERAL, Kas., Army Air Field, April 10.—(AP)—Damage estimated at \$22,500 was caused to buildings and utilities at this army air field by a tornado which struck at 6:45 p. m. yesterday, the public relations office reported today.

No injuries to personnel were reported.

JOHN ALFRED DOOLEY, DIED AT NAVARRO HOME ON SUNDAY

Funeral services for John Alfred Dooley, age 64 years, who died at his home in Navarro Sunday, were held Monday afternoon at 3 o'clock from the Corley Chapel. Rev. E. F. Bohmfalk conducted the rites and interment was in Grape Creek cemetery.

A resident of the Navarro community for 44 years he was well known in that section.

Surviving are his wife, five sons, Clyde Dooley, U. S. Navy; J. Dooley, Fred Dooley, W. A. Dooley, all of Sweeney; James Dooley, U. S. Army; two daughters, Miss Thelma Jo Dooley, Navarro; Miss E. C. Madden, Corsicana; three brothers, W. A. Dooley, Houston; J. S. and L. W. Dooley, Navarro; a sister, Mrs. Alice Pilkington, Houston, and other relatives.

AERIAL

CONTINUED FROM FIRST PAGE

helm and other unspecified objectives, and extensive mine-laying operations were carried out at long range, all at a night cost of 11 planes, the air ministry said. It was the first major British assault in a week.

Sunday Assaults. Five hundred to 750 U. S. heavy bombers took part in the widespread daylight assault, yesterday smashing at aircraft factories at Poznan (Posen) and in the Gdynia area of Poland, Marienburg in East Prussia and Warnemunde and Tutow in northeast Germany in operations which took some of the bombers beyond reach of their fighter escort.

Thirty-one heavy bombers and eight fighters failed to return from the raids which, counting the fighters, were carried out by between 1,500 and 1,750 American warplanes. The Swedish radio said 10 American heavy bombers were forced down in Sweden at Malmoe, Rinkaby and Kalmar.

Thunderbolt, lightning and Mustang fighter pilots reported that they shot down 20 Nazi planes in air combat and also destroyed some on the ground on airdromes in Germany.

The number destroyed by the bombers in the bombers was not tabulated immediately.

Rites Held Sunday For Mrs. Stroud; Burial Chatfield

Funeral rites for Mrs. Mary Brooks Stroud, who died here early Saturday morning, were held from the Corley Chapel Sunday afternoon at 2 o'clock. Burial was in the Chatfield cemetery.

Surviving are her husband, a sister, a brother and other relatives.

Couple Corsicanans Hurt In Auto Crash

Atwood Allen, employee of the Brown shipyard, Houston, was seriously injured in an automobile-truck trailer accident, at Madisonville Saturday night and Joe Humphries, also a Brown shipyard employee, was slightly hurt while en route home for the Easter holidays.

Allen, the son of Mr. and Mrs. E. F. Allen, 1111 West Collin St., was wedged between his car door and car after the trailer had smashed into the side of the automobile driven by Allen, and a wrecker was required before he could be rescued it was stated. Allen received a broken vertebrae and two fractured ribs. The accident occurred about 8 o'clock Saturday night. He was brought to his parents home here about 4 o'clock Sunday morning.

Humphries is the son of Mrs. Jesse Humphries of Corsicana. There are about 4,000,000 stamp collectors in the U. S. The Mayflower was only 100 feet long, and 20 to 25 feet wide.
